### *A message from Ruth*

*'Be holy, as I am holy'* is an instruction from God given in Leviticus and repeated in 1 Peter, to which my heart says yes, but which in reality is a long way from being as straightforward as my desire.

At this time of year, after what feels like weeks of cold rain and with only rain in the forecast, I have my own (less spiritual, but very heartfelt) instruction – ‘Be Spring!’

Being in the midst of Winter and longing for Spring feels a bit like my journey towards holiness. As I yearn for warmer and sunnier days, so I long for holiness, to be transformed into Jesus’ likeness.

However, the sad reality is that when I wake tomorrow, despite my longing, I am neither going to be holy, nor will it be Spring!

But, the waiting for Spring gives me hope for my spiritual journey. Through the long winter months, buds are growing and bulbs are pushing through the earth. Though Winter may appear only to offer cold darkness, in fact it is a time of essential growth, of renewal, of new life being created.

Spring does not arrive overnight, nor at the flick of a switch; it comes only as the work of Autumn and Winter is complete. It comes little by little as plants draw nutrients from the soil and the earth slowly rotates.

I therefore take heart, that as the bulbs make their slow but certain progress through the cold earth, so my faltering and slow steps towards holiness will also one day see their fruition. I just need to keep going and not lose heart...

## Collect for the second Sunday before Lent

Almighty God,  
you have created the heavens and the earth  
and made us in your own image:  
teach us to discern your hand in all your works  
and your likeness in all your children;  
through Jesus Christ your Son our Lord,  
who with you and the Holy Spirit reigns supreme over all things,  
now and for ever.

## LENT 2026

This year's Lent resources from the Church of England have at their heart the theme of a 'rhythm of life' – habits and patterns which help us grow as disciples of Christ day by day, especially as we prepare to celebrate the great mystery of God's saving love at Easter.

Each week a different contributor

explores a different aspect of Christian discipleship – **worshipping** together, **praying**, **exploring the Bible**, sharing **communion**, offering **service** and **sharing the good news** with others.

There are various resources to help explore these themes as part of your own Lent journey, with those you live with, or with a friend or an informal group:

**Daily Reflections:** You will be able to sign up for daily emails or you can download the new Church of England devotional app [Everyday Faith](#). There is also a [printed booklet](#) and you will find copies in both churches. We can order them in, if you would like a copy. *There will be a sign up sheet in St Leonard's on Sunday* or just let the [office know](#) as soon as possible.

**Resource for a group** [can be found here](#). A very simple resource, with an accompanying video, to allow you to chat about the theme of the week with a friend or a small group. It is great to use alongside the daily devotions

[Daily Reflections for family](#) encourage a family to reflect on a bible verse along with something to put into practice each day. Speak to Rabea if you would like to see a copy.

## Book Reviews for Lent

This year we will be recommending three books to help those who would like to read a book during Lent. This week Margaret recommends Practicing the Way by John Mark Comer. You can see her review [here](#).

In case you missed it, last week Duncan introduced '*The Liturgy of the Ordinary: sacred practices in everyday life*'. [Click here to see the video.](#)

## **SHAPED by the WORD: Sunday 15th February, 6.30pm.**

Last month we went back to the beginning to explore the creation of all things in Genesis chapter one. For those who want a reminder of what we covered or if you weren't around and would like to catch up [the notes are here](#).

We particularly looked at what we can learn from the literary structure which is a key part of understanding how the authors of the bible communicate.

This month we are going to move into chapter two as we examine 'The Geography of Eden'... and we will get to draw pictures! Hope to see you there.

Please pray for Paul and Jo Murrell, who are now in Nigeria together for an eleven-day work trip. Paul is visiting translation programmes that are supported by Wycliffe. Jo is meeting the ten Wycliffe UK and Ireland members who currently work in Nigeria, and strengthening the

partnership between the Wycliffe People Team and the HR team in Nigeria. We would value your prayers for:

- wisdom in all the different meetings we have
- good health so as to make the most of the time
- safety in our travels
- us to encourage all the colleagues we meet with.

Thank you! We look forward to telling you all about it when we get back.
